

# Sigló Summits

*Conferences with character*

**Siglufjörður, the northernmost town in Iceland, offers a charming atmosphere and excellent facilities for hosting conferences for up to 120 participants.**

This picturesque Icelandic town has it all. Nestled beneath soaring peaks on the edge of the fjord, the natural landscapes alone make for an **impressive backdrop to your event**. Sigló also boasts a fascinating local history - after skyrocketing to fame in the early twentieth century, this seemingly-sleepy fishing village's exports once accounted for approximately one-fifth of Iceland's total economy.

Nowadays, Siglufjörður is home to a variety of **characterful, quality accommodation** for all styles and budgets. Here you'll find a **range of venues** from small-scale meeting rooms to poster spaces to presentation halls, as well as unique options for welcome receptions, dinners and events.

For **social activities**, your guests could partake in cultural town tours, short hikes, oak boat excursions, bus tours or kayaking experiences.

**A conference in Siglufjörður isn't just a conference.** It's an immersive, unforgettable experience leaving you feeling not like a visitor, but part of our community.

**We can't wait to meet you.**
